KEARNY HIGH SCHOOL
SAN DIEGO, CALIFORNIA

Since the first days of Kearny, Miss Trenfel has helped in the growth and development of our school. She holds many important chairmanships and handles the essential job of senior counselor.

- She does everything from playing football with the crowds and pitching horseshoes on Ditch-Days to planning the big spring award assembly, changing programs, and sponsoring C. S. F. For all these contributions and many more, we have chosen this way to show our sincere gratitude and appreciation.

Dedication . . .

Prologue

All the world's full of - - -

A stage, is to stand on

And all the men are - - - - -

And women are - - - - -

Merely players; playing with lillies

They have their exits

And their entrances,

And one man

In his time

Plays many parts. . . .

William Shakespeare

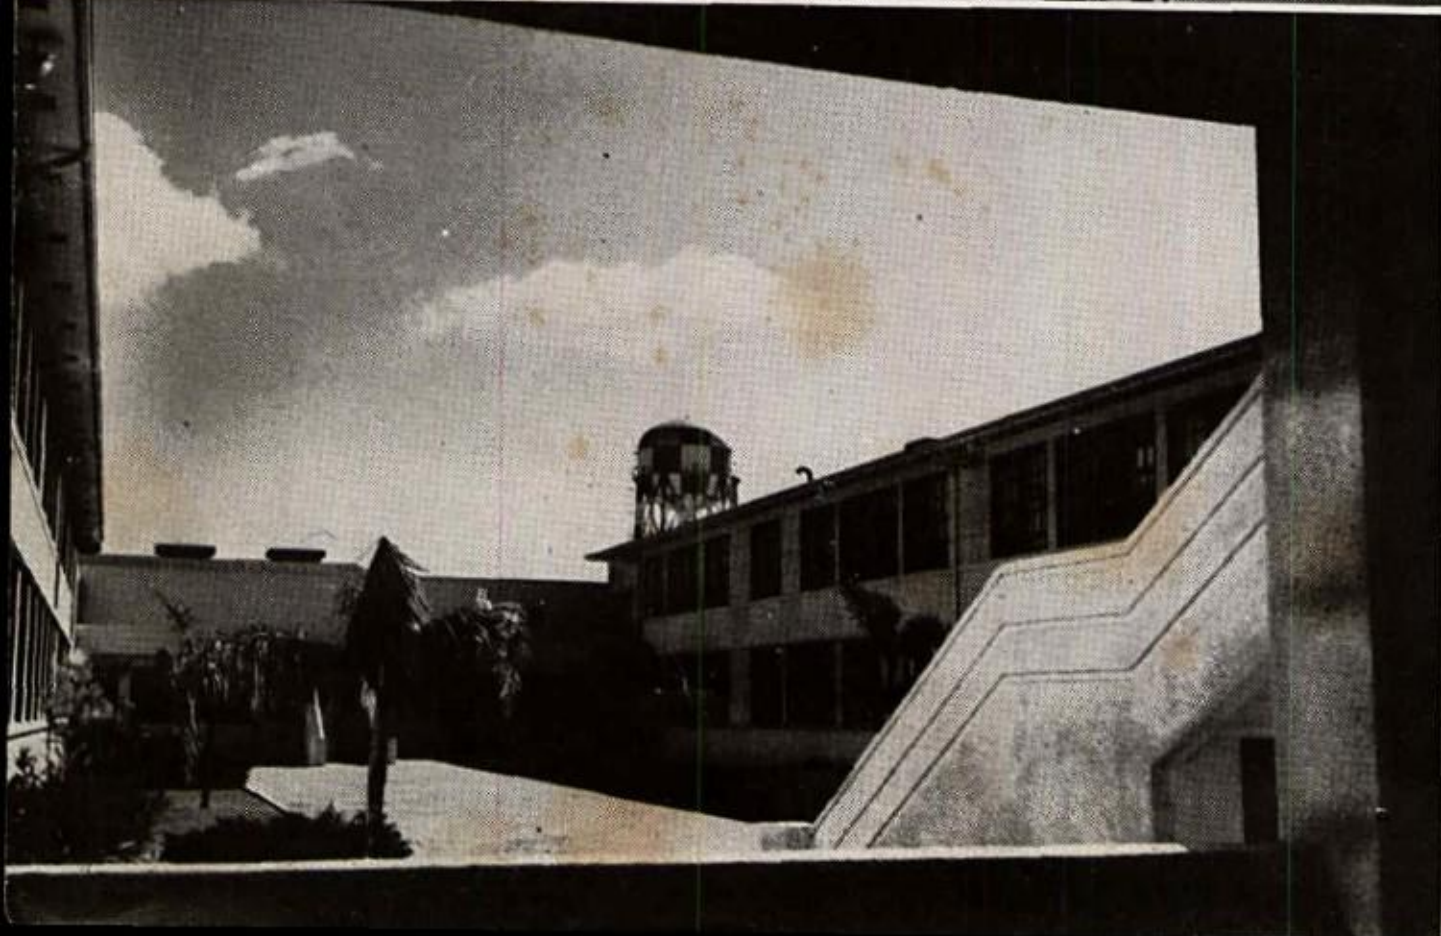

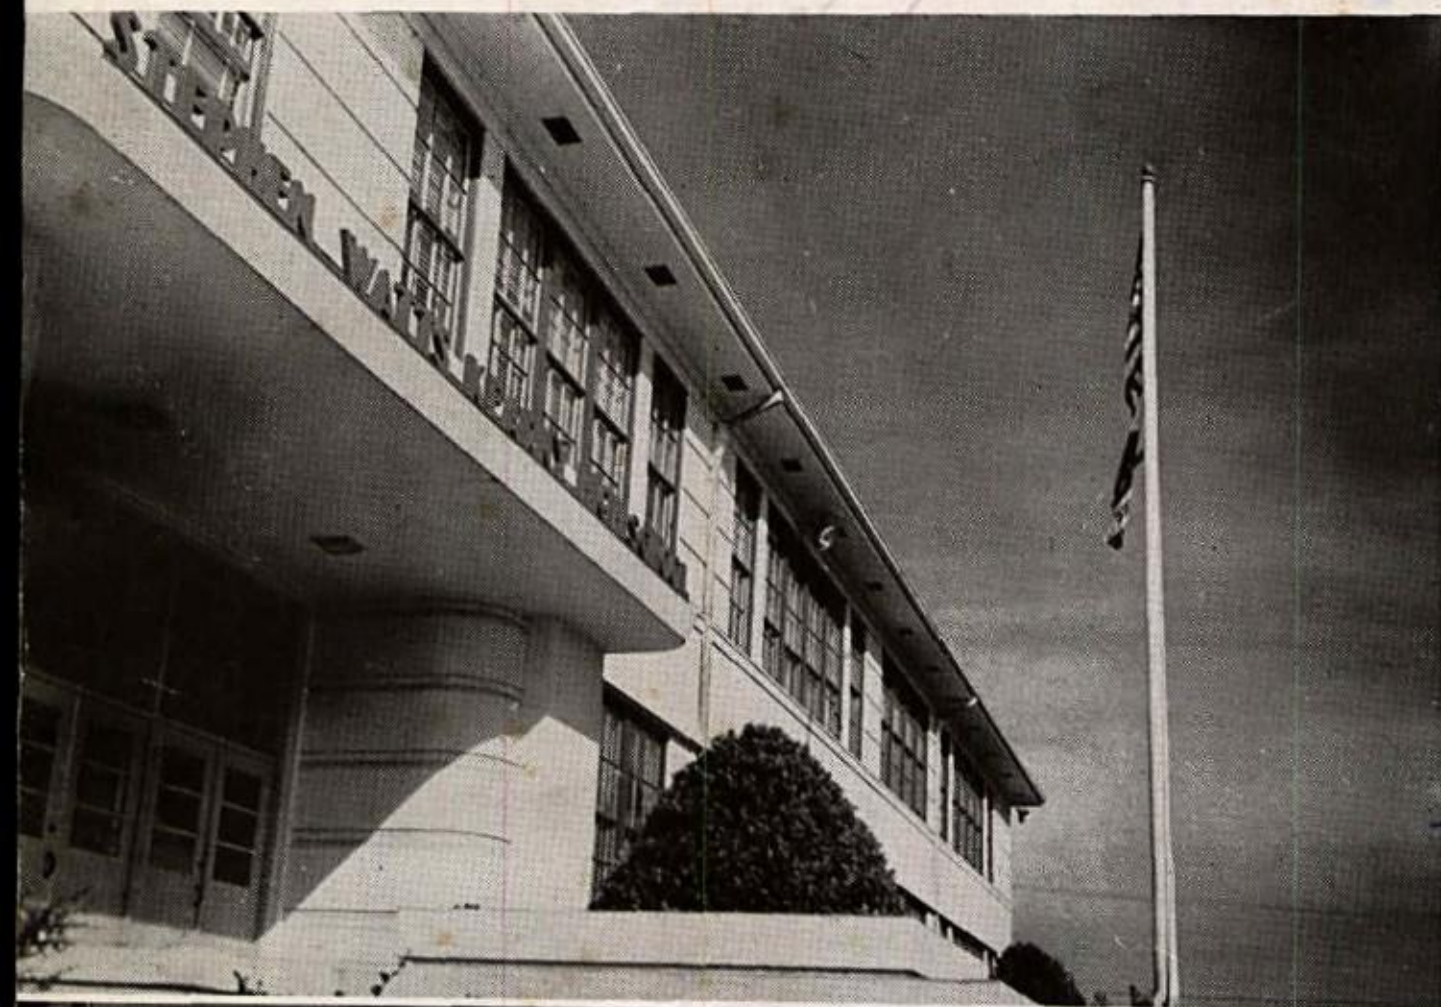

Jabie:

To one of the best damn guys on Chee-hole school, we have had many good times together, and don't forget them. Remember that time I let you drink part of my beer at that bar? Also I had to put the nickle in the slot machine.

We have had other joys - going to Tejana and then the Beer Bust at Presidio just after I got back.

It was a great pleasure to play beside you in the grossmoot game, and I'm really sorry I didn't get to play more football with you. I know that we will have many more good times ere death do us part.

The END

Make your appointments long in advance if you wish to see our busy principal, Mr. Taylor. But after taking into consideration all the problems he has to cope with, we wonder how he gets them all done. He is constantly working with and for our student body, and is liked and respected by all.

Harold E. Johnson

Impresarios . . .

Ideas and suggestions flow fast and furiously when students enter the Girls' Dean's office with questions and troubles. Miss Markey, sponsor of Dianas, Kearny Kadettes, and Girls' League Council, is the friend and understanding adviser of all the girls at Kearny. • Known throughout the school for his piano playing, pep, and personality is Mr. Barber, Boys' Vice-Principal. Always cheerful and smiling, he is ready to assist whenever needed.

With somewhat of a record for providing an A.S.B. card which was of more value than ever before the 1947-48 council steered Kearny into the spotlight for a most active year of assemblies, dances, and special A.S.B. card programs. They planned a unique Frontier Day, provided busses for all but one of the football games, and worked out some new policies designed to help promote a sound and successful organization for next year.

Soon to be filed away under the title "Memories" are the many happy times enjoyed by the Seniors of '48. From the days of the annex (puddle jumping days) up to the present time, we have found many friends among the faculty and administrators who have contributed much to the success of this class. We would like to recall a few of these and extend our thanks to them. Among our first friends were Mr. Taylor, Miss Markey, and Mr. Barber, who have always been most helpful in matters concerning the class. The year 1946 was a big one for us. Under the guidance of Mrs. Mattson, the sophomores first organized, elected officers, and prepared for the coming years. That was the year that we captured the first Field Day Trophy. Mrs. Cunningham, sponsor, and Miss Trenfel, counselor, have carried us through our Junior and Senior years, helping to arrange the many outstanding activities. To these and many more we owe a debt of gratitude. They have made possible such memorable events as our Prom, Junior Christmas Party, Senior Ditch Day, Senior Play, and, of course, graduation.

SENIOR OFFICERS—Bob Scofield, President; Pat Acuzar, Secretary; Joan Granell, Treasurer; Guy Walker, Vice-President.

... rendezvous

Pogo sticks, balloon fights, and ice cream cones were among the regular attractions in the senior patio each noon. From time to time the grunts and groans went beyond reasonable limits and merited a word of restraint from faculty and administration, but for noontime small talk and exam cramming the patio continued to be a most popular place.

Good evening, ladies and gentlemen. Once again I have the dignified pleasure of bringing you the latest news on America's upper class. Of course, the biggest news is that of the reunion of the class of 1948, Kearny High School, San Diego, who graduated 20 years ago this month. Several members unable to attend wired their greetings. Dr. Don Krentz, chief physician on the moon, spoke for all not present when he said: "It is too bad." Twenty years has found the group diversely scattered and occupied: **Bruce Bills** and **Curtis Brean** are chief pilots of the daily rocket to the moon, with **Ruth Gussa** and **Martha McNeill** as their hostesses on the short jaunt. . . . Promoted recently to the duties of inspecting incoming fruits and vegetables from the outer planets are **Pat Brown** and **George Anderson** . . . Recently appointed to the supreme court bench were two of the school's outstanding dignitaries, **Jack Dodds** and **Melvin McKay** . . . **Buddy Freeman**, representative from California, was in a heated argument the other day with Senator **Phyllis Fillhart** on how to dispose of Senior Problems as a course of study . . . Speaking of politics, **Don Cooper** was made Supervisor of the Arkansas State Police appointed by the governor of that state, **David Halbert** . . . Outstanding advances in nuclear physics were made by **Professor Rex Beckham**, Ph.D., on utilizing the full power of tootsie rolls . . . **Flossie Anderson** manages the San Diego County Hospital Clinic, accompanied by such able assistants as **Bessie Calhoun**, **Elida Flores**, **Karen Pollock**, **Dorothy Taylor**, **Betty Webster** (dentistry), and Dr. **Roger Rexilius** (psychiatrist) . . . Building a new annex to the hospital building is **Lee Roy Banks'** construction crew, with **Marvin Fassler** as chief cabinet maker . . . The New York Art School of **Don Pierson** and associates, is lately featuring the outstanding fashion designers of the day: **Anita Berkum**, **Jean Clark**, **Vita Giamanco**, using as their typical model, **Helen Bain**. Covering their activities for the New York Herald-Tribune is **Pat Acuzar** . . . In Paris, fashions are supervised by **Joan Youngblood** and **Colleen Brooks** . . . Featured cover girl on such magazines as *Vogue* and *Redbook*, is **Pat Anderson**, who poses exclusively for **Russell Breese** in Chicago. • In the world of sports, members of the Class of '48 have shown themselves outstanding . . . **Fred Williams**, having played pro-football for four years, is holding down head coaches' job at undefeated Utah University . . . **Jim Avila**, holding all time records for base stealing in both major leagues, manages the New York Yankees . . . **Charles Benner**, 3 year All-American fullback, coaches Michigan's Wolverines . . . **Don "Tubby" Chapman**, pro-hoopster for two years, has written several books on basketball, and in his spare time, coaches the Linda Vista Gas House gang . . . **Jim Kennedy**, chief supervisor over the A.A.U. swimming coaches of the country, has himself turned out many champs . . . **Jakie Martinez**, UCLA head coach, boasts another perfect record team . . . **Del Middaugh**, having slammed out 833 home runs in his career, holds down the job as manager of the New York Giants. • Currently appearing at the Metropolitan Opera (recently purchased by millionaires **Larry Leonard**, **Bob Myers**, **Harold Stevick**, and **Jack Graehl**), are **Ann Bell**, colorature prima donna, **Charles Benthall**, baritone, **Raymond Coultas**, tenor, **Alvin Licht**, basso, **Howard Jones**, tenor, **Bob Howser**, male soprano . . . The Met orchestra is conducted by **Rose Dutra** . . . Head custodian of the building is **Richard Wycoff** . . . Plans are forming to rebuild the opera house and appointed as chief architect is **Ernest Valle**.

Speaking of the entertainment world, currently appearing on Broadway in the Big City, are **Alfred Burris**, who has been mainly concerned with writing and directing, and **Lillian St. Walke**, co-starring with **Bob Walke** in the "Follies of 1967" . . . Playing in the pit is "Moody Merle" **Carlson's** swing band . . . **Charles Allen's** revised version of "Hamlet" entitled "Hamlet and Egglet," stars **Anne Marie Hart**, **Wayne Sherkenback**, **Frances Bartholomew**, and **Judy Hartnett** . . . **Mel Whetstine** and **Drucilla Schmitt**, now managing the Hollywood theatre, present special features galore this week: "Say no more **Dick Ponse**, and "Bozo" **Buddy Metzler** . . . The mellow voice of **Joan Granell** is the BIG feature, and the sweet baritone of **Jim Cummins** is to be heard . . . **Dick Peterson** can be located thereabouts also, selling peanuts during intermission • The annual "Daredevils' Meet" in Indianapolis, is boasting such outstanding speedsters as **Tom Boehlke**, auto wrecker supreme, motorcyclists **Frances Harvey**, **Carolyn Hamlin**, **Marilyn McFadden**, **Helen Hunsucker**, and **Vaugh-**

K. H. S. News Staff

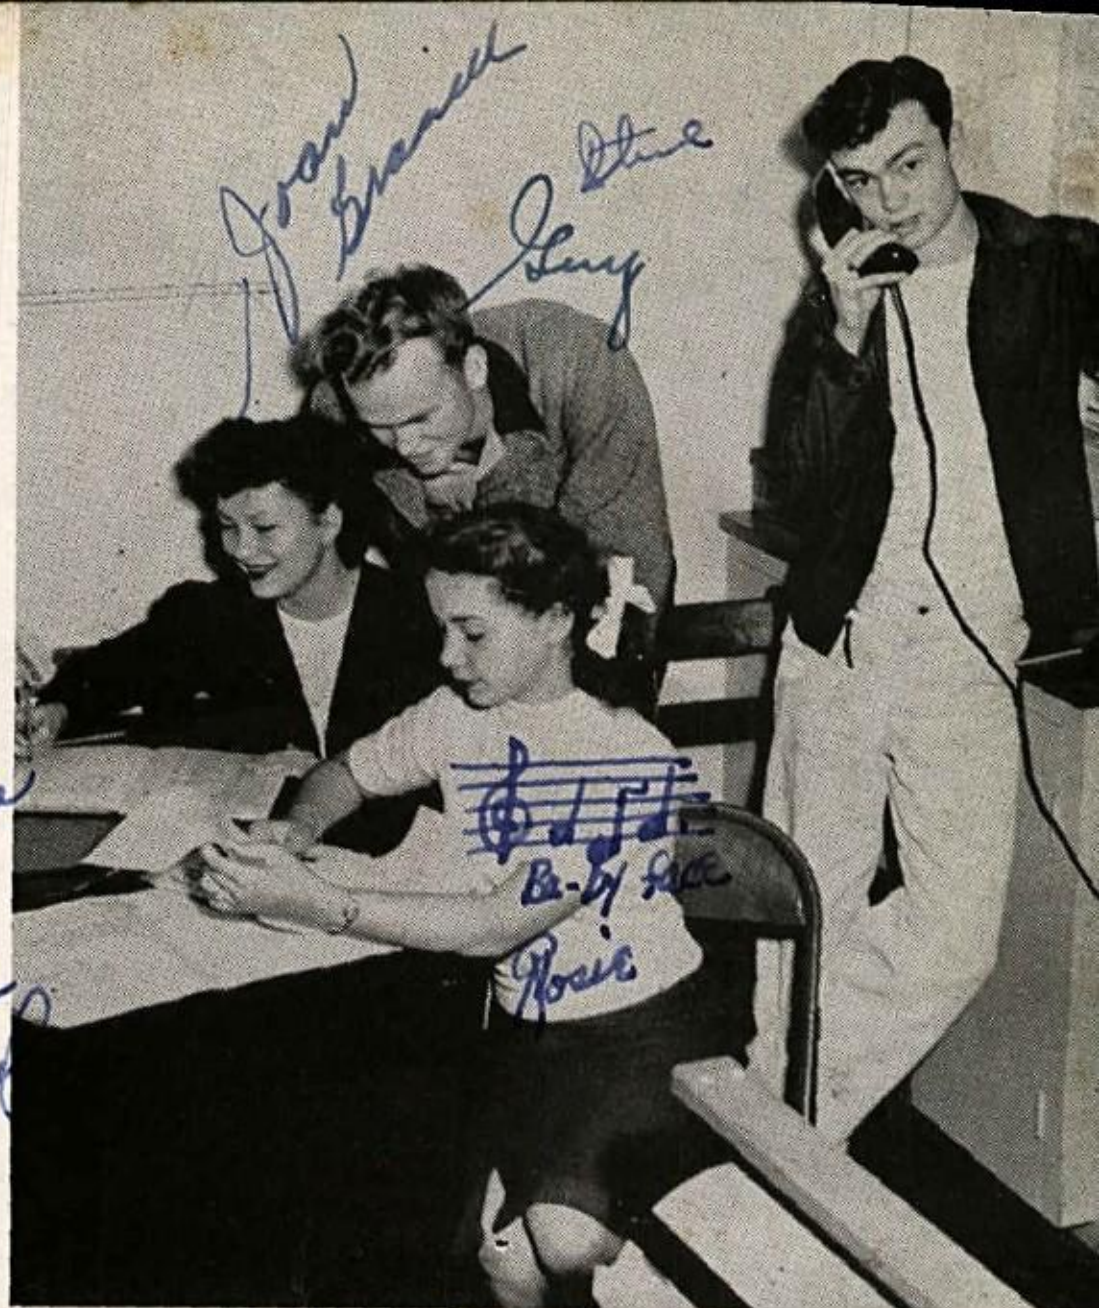

Looking backstage in the journalism room, we see the KHS News staff scouting for ads and subscriptions, slaving over dummies, galleyproofs, broken typewriters and paste jars. Many hours are spent at the printers, and boxes of aspirin are taken to cure the many headaches. But the final product is the KHS News which keeps us well informed about the activities of Kearny.

Agents

Quill and Scroll

Equally renowned for phonograph recordings and short stories, members of the Quill and Scroll carried on the work begun in '47 with advice and support from Miss Speck, sponsor. Limited to twelve members, especially interested in writing, the Quill and Scroll is made up of Kearny's potential literary geniuses.

K. H. S. News Staff

Here are seen the cub reporters, copy writers, and typists who somehow come up with the K. H. S. News once every two weeks.

Dianas

These fifteen senior girls with a B average in both citizenship and scholarship, and outstanding in activities, are the Dianas, with Miss Markey as sponsor. Aiding as "big sisters," they help new girls to become acquainted. Other activities for the year were making beanies giving assemblies, helping with the Christmas charities, and collecting toys for handicapped children. It is an honor to be a member of the Dianas and lots of fun too. This year the girls enjoyed themselves at luncheons, dinners, and skating parties.

Kledia

The Kledia is an honorary service organization consisting of the fifteen top Senior boys. "Kledia" is an ancient Greek word meaning "key-men" which accurately describes these boys whose purpose is school service. They are sponsored by our vice-principal, Mr. Barber.

Kearny Kadettes

The twenty-five most outstanding girls in the ninth grade form the honorary organization, the Kearny Kadettes. Under the leadership of Miss Markey, these girls furnish activities for the Junior High. The main event is the formal dance in the spring for the ninth and tenth graders. The Kearny Kadettes are willing to serve the school in every way they can.

C. S. F. The sponsor, Miss Trenfel, says that you don't have to be a brainchild, you just have to work hard to get the three A's and that B, to be a member of the California Scholarship Federation. And it is well worth the effort to have those honor hall passes, two ditch days, the spring banquet, and the annual CSF convention. But the CSF is also a service organization. The school knows that if there is anything to be done, the members are always willing to aid.

Kearny is proud of its fine A Cappella Choir. Under the very able direction of Mr. Zaloudek, the 75 members gave performances of the highest quality in choral music. They demonstrated their fine singing ability at the Christmas assembly, P.-T. A. meetings, fraternal organizations, the operetta, and finally as the climax of their year's work, they presented the Spring Concert.

- Mr. Zaloudek has been busy sponsoring many of our musical organizations this year. The members of these groups have been chosen for their outstanding singing ability, and they have earned a reputation that keeps them in demand. They have cheerfully and eagerly given their assistance at assemblies, floor shows, school dances, P.-T. A. programs, and various social functions.

Kearny High Orchestra

... to Straus

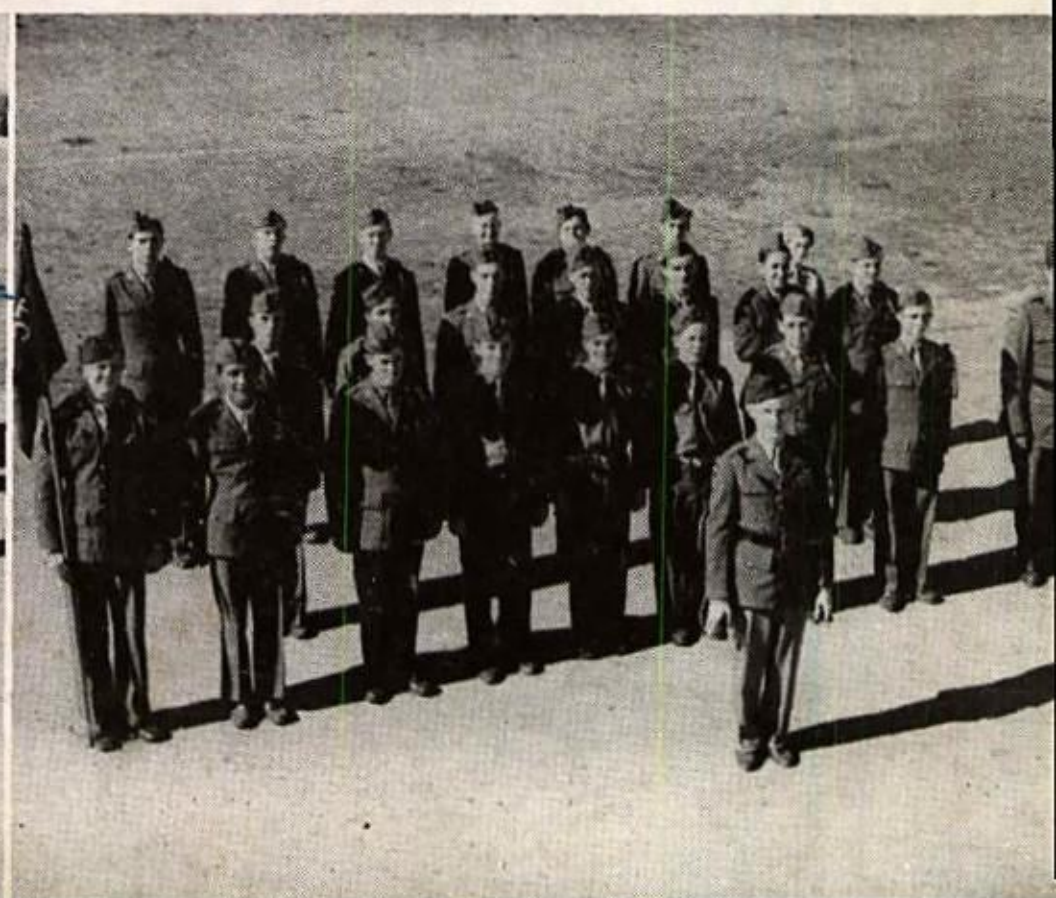

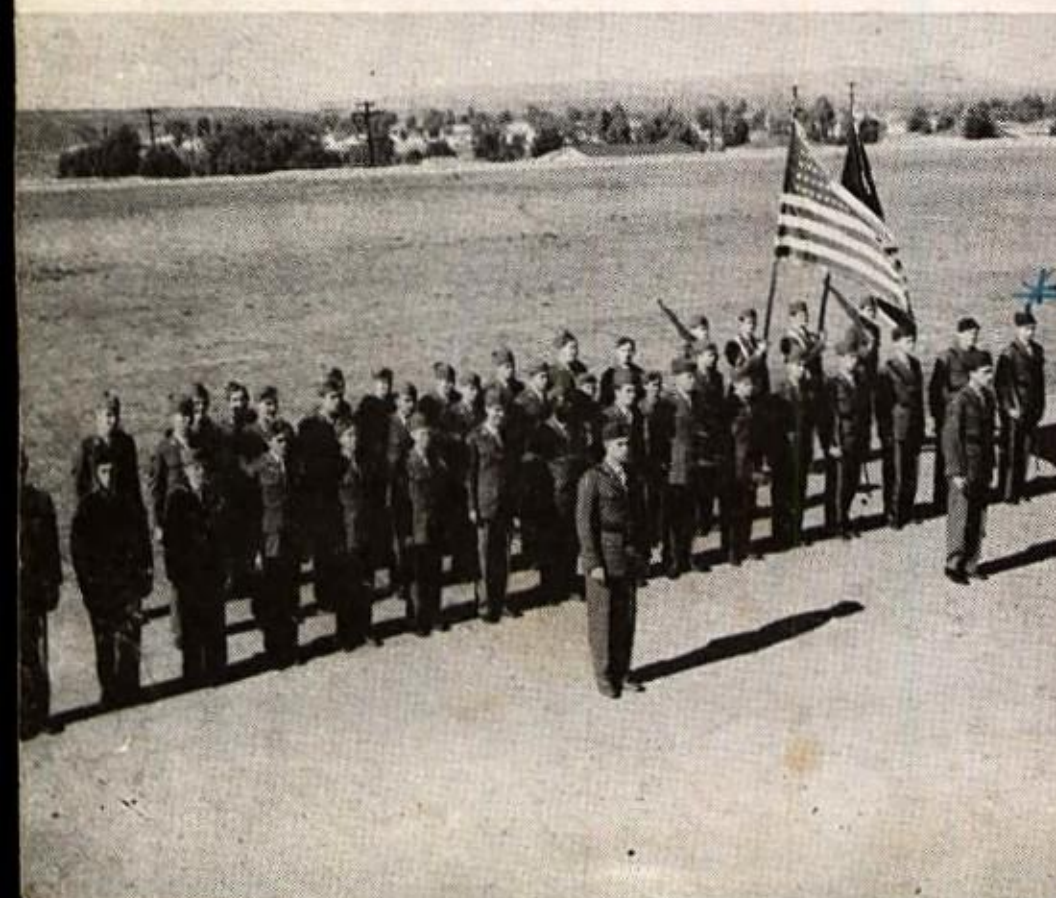

The band, under the direction of Mr. Owens, has contributed a great deal to the year's activities. If its help had been to parade at all the football games, we would have considered the work well done. Because of the members' fine showmanship and co-operation, the band has been helpful on many occasions other than just football games. Their services have been given at pep assemblies, P.-T. A. programs, parades, and to top it all, they gave their own Band Show and Concert.

Kearny's orchestra displayed plenty of hard work and good talent when they played for the operetta this year. Also, they performed for the P.-T. A., assemblies, and other musical programs.

Brass Buttons

R.O.T.C. Unit The R.O.T.C., only in its second year at Kearny, is one of the best in the city. The boys look very military in their neat uniforms. Among their many activities are guarding at all home football games, participating in numerous parades throughout the year, one complete day of maneuvers, a Field Day, and two regimental balls. The unit won "Honor High School" rating this year. Sergeant Eakes really sees that Kearny has military discipline.

Cadet Officers Club

Under the sponsorship of First Sergeant John A. Eakes, the Officers' Club is one of the newest clubs at Kearny. Membership is open to all cadet officers in the Kearny R. O. T. C. and C. T. C. units. The purpose of the club is to promote good officership and better understanding between cadet officers and enlisted personnel.

*Cadet Major
Wesley Almond X*

Rifle Team

The Rifle Team consists of the ten best rifle shots in the R. O. T. C. In the matches with other high school teams in the San Diego School District, these boys proved that Kearny has some excellent riflemen.

C. T. C.

All of the slick chicks you have seen in the brown uniforms this year at Kearny are members of the newly formed unit of the girls Cadet Training Corps. The C. T. C. is a feminine branch of the R. O. T. C. and a very snappy looking outfit too. Under the direction of Sgt. Eakes, these girls learn to drill, shoot a rifle, fundamentals of first aid, military courtesy, and all the basic military knowledge that the boys get in R. O. T. C. This new unit is indeed a credit to the Corps and to the school.

Bible Club The Bible Club has really gone forward this year promoting Christian fellowship and understanding among the students. It seems as though they enjoy working as well as having fun, for this year they gave a party in February for all Bible Clubs in the city, attended Rallies with other Bible Club groups, and gave an interesting assembly for the kids here at Kearny.

Junior Red Cross

The Junior Red Cross deserves special commendation for its hard work and willing service. With Miss Hughes, Miss Wood, and Miss Otterness as sponsors, this organization filled boxes at Christmas time, collected books and games for the boys in the Navy Hospital, and supported various campaigns throughout the year.

Kearny Y-Teens

The Kearny Y-Teens, sponsored by Miss Nancy Norton, is Kearny's branch of the Y.W.C.A. Highlighting the year's activities were horseback riding, grunion hunting, bowling, hay riding, dancing, and a mountain trip. The senior girls in the Y-Teens really fulfilled their purpose of promoting activities among the girls of Kearny.

Junior Statesmen

The Kearny chapter of the Junior Statesmen of America was first organized at our school in January, 1948. The purpose is to give additional training in democratic principles, parliamentary procedure, public speaking, and legislating at State and Regional Conventions. The group has 45 members and has attended one state and two regional conferences.

Lunch Guards

The willing lunch guards keep the halls quiet and check the grounds and cafeteria during lunch time. All the work is voluntary because they want Kearny to look clean and neat.

Stage Crew

It has been tedious work setting up chairs for all the assemblies this year, but the Stage Crew has done a faithful and efficient job. Everyone appreciates the service that these boys and their sponsor, Mr. Lewis, have rendered to the school. Thanks are also due to Mr. Kurtz, who has helped during the spring semester.

Girls' Athletic Association

The G. A. A. was organized to further the athletic interests of the girls at Kearny. The only requirements are senior high standing and an interest in sports. The sweater and letters the girls earn are the rewards for their efforts. Highlighting this year's activities was the Carnival given in the fall.

The Drillettes really got into the act this year. Under the leadership of Mrs. Dona Heimerdinger, the Drillettes marched at the San Diego Football Carnival, the Shrine Benefit Game, at all home football games, parades, and on many other occasions. The football season would not have been complete without the Kearny drill team.

This year, came the Drum Corps to march with the Drillettes. Just newly organized at Kearny, under the direction of Mrs. Heimerdinger, the Drum Corps really added to the rhythm of the parades and football games.

Football Carnival

Came September and the Annual Football Carnival, the gridiron pre-view of 1947. Here, although Sweetwater through an act of fate scored a touchdown, the Komets gave the best showing in their carnival history. Kearny broke into the stadium spotlight by making decisive gains through the Sweetwater forward wall by using their newly acquired T formation. We were also proud of the fact that our own Vice-Principal, Richard Barber, was chairman of the Carnival, with Kearny the acting host.

For his second year Coach Hal Smith was at the helm of the Komet's football contingent. This season was one plagued with injuries and just plain tough luck. A number of games were lost simply because we failed to get the breaks of the game. Kearny's biggest triumphs came with two decisive victories; one over Pt. Loma and another, (which gave Grossmont the undisputed championship) by our thoroughly trouncing the La Jolla Vikings on the winner's gridiron. Team co-captains, Dick Peterson and Dick Pedrin were awarded positions on the All-Metro second team.

Remember the old days
 on the line, we held
 them.

Varsity Football

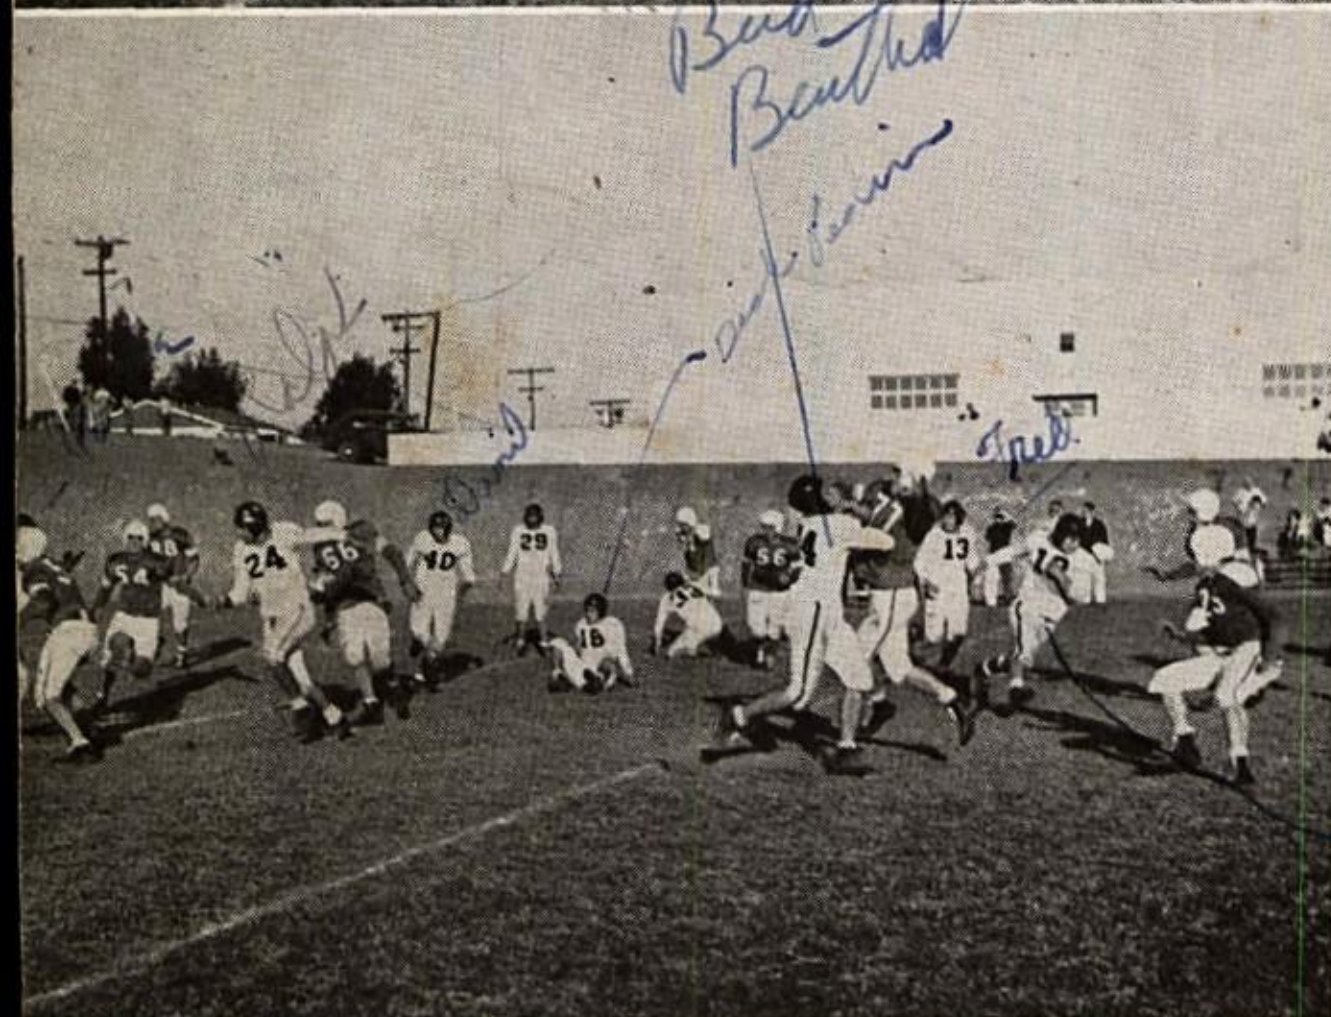

He's to one of the finest guys at Keosauqua. It's been more than a year playing football with you these last two years. I've always admired your ability to play football and admire your endurance to come back after playing with a broken arm. To have such a successful season. I hope you succeed in what you are trying to do.

TEAM:

VARSITY LINEUP: Left to right—RE Dave Halbert, RT Ralph Hose, RG Fred Williams, C Bob Howser, LG Dick Peterson, LT Jackie Martinez, LE Del Middaugh, Q Don Krentz, RH Bud Benthall, FB Dick Pedrin, LH Dick Ponce.

Left to right: Back row—Tony Roe, Del Middaugh, Buddy Freeman, Ken Bethun, Bob Toft, Art Harris, Ralph Hose, Dave Halbert, Bud Benthall, George Anderson, Chuck Benner, Jim McMinn. **Middle row**—Jim Ticer, David Wano, Larry Brimhall, Dick Bartz, Jerold Rees, Chuck Butcher, Don Krentz, Bob Scofield, Dick Pedrin, Dick Ponce. **Front row**—Bob Walke, Fred Logan, Jackie Martinez, Dick Peterson, Fred Williams, Bob Howser, Joe Spino, Jack Grayson.

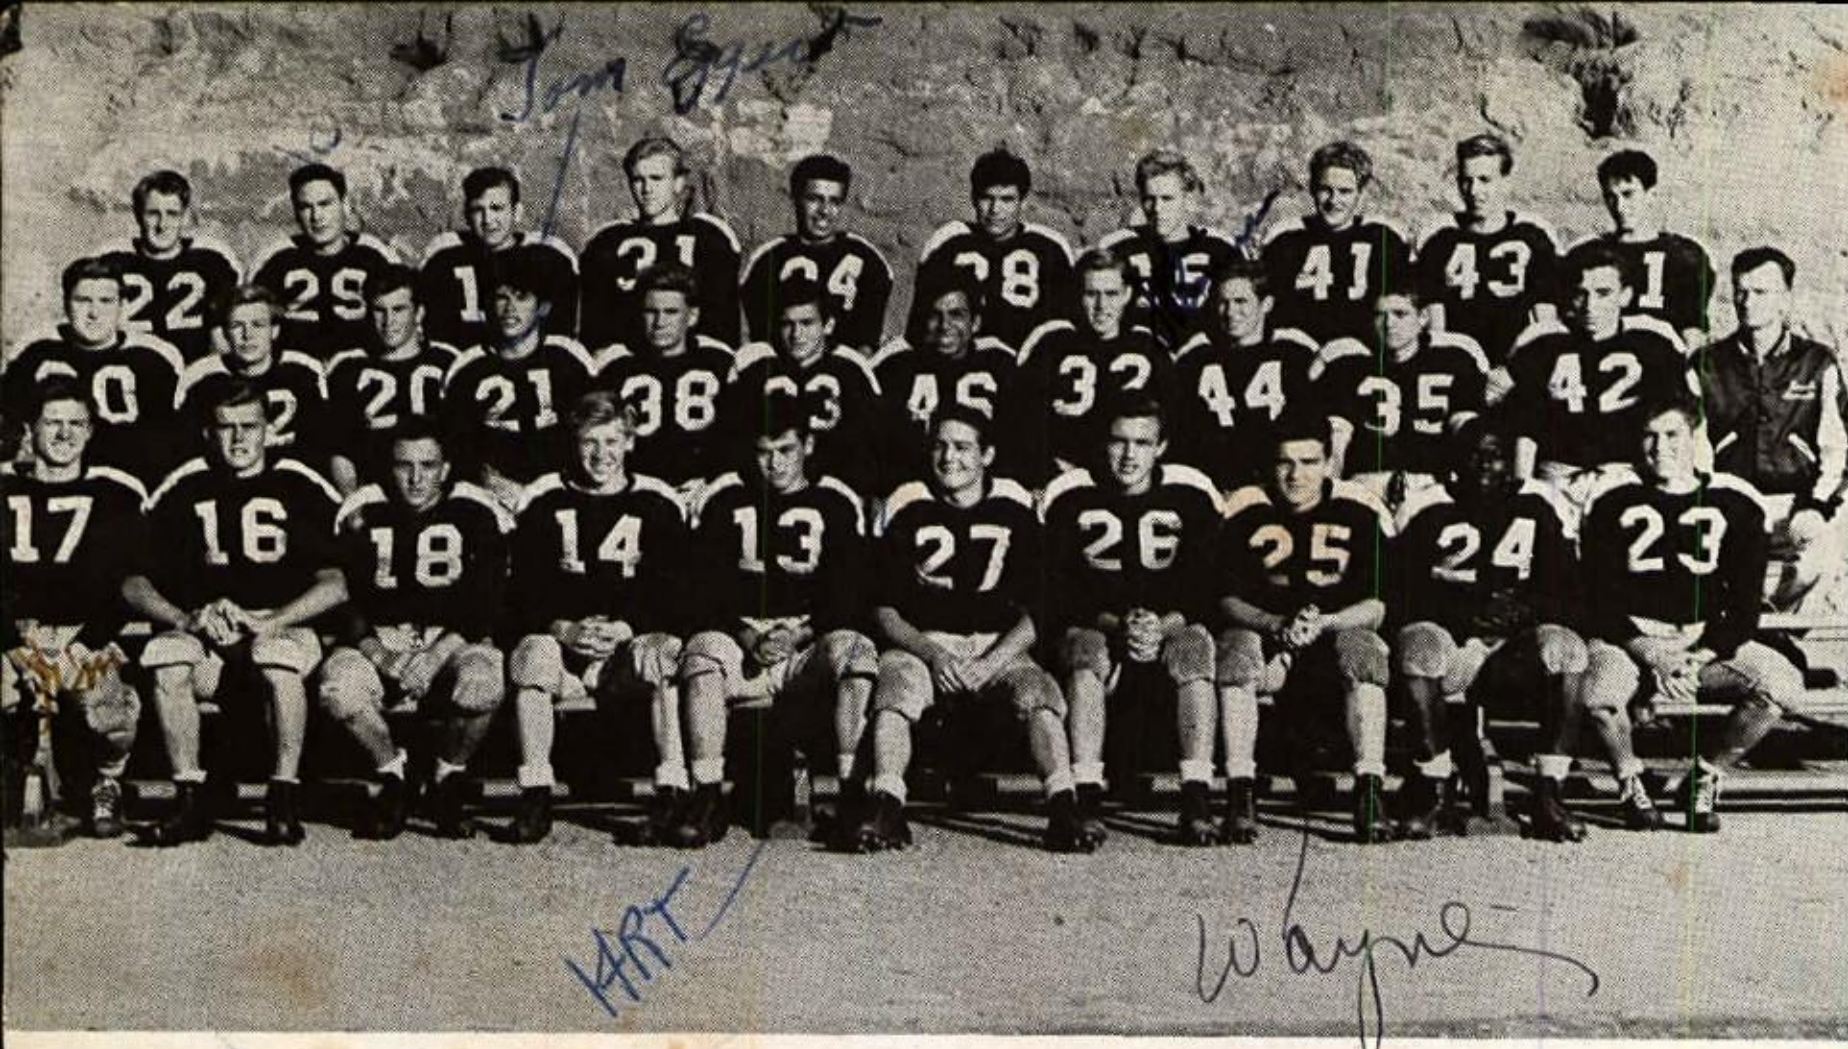

• **Grossmont:** This was almost a continuation of last year's contest. Another muddy gridiron and another decisive victory for the Foothillers! It was not long before Kearny's new white uniforms had taken on a much different hue. Even at that the Komets did a fine job of throttling Grossmont's attack. • **Oceanside:** The Komets and Pirates battled to a 0-0 tie. In the last quarter, due to Dick Pedrin's superb passing, the Komets began a march from deep in their own territory only to come to an abrupt stop as the gun went off. • **Coronado:** In probably one of the most exciting games of the year the Komets faltered on the Islander's turf. A stubborn performance was put forth by stellar linemen Dick Peterson and Fred Williams. F.B. Charles Butcher, a Junior, proved that he would be an All-Metro threat in the 1948-1949 season. Although injured, H.B. Dick Ponce put in a sterling performance. • **Sweetwater:** Sweetwater again proved too potent a dose for the Komets in an action-packed contest. Even with the fine play of ends Dave Halbert, Bob Walke, and Del Middaugh, and their control of the outer flanks, the Komets lost again.

● **Chula Vista:** Here again Kearny after being ahead, ended up with a tie ball game. Tackles Jake Martinez and Ralph Hose continued to plug the holes along with Charlie Benner's line backing. Flinger Jim McMinn began passing in the closing minutes in an effort to unknot the game, but was unable to connect. ● **Escondido:** The Kearny eleven journeyed to the Grape City only to falter, probably because of injuries to first stringers Don Krentz and Bob Howser who were out for the rest of the season. Centers Tony Roe and Fred Logan were unable to perform at top condition because of injuries. ● **Pt. Loma:** The Pointers really met their Nemesis the day the Kearny contingent rallied to a victory after Jerold Rees' 12 yd. touchdown plunge. The Komets played brilliantly as a team, showing a great deal of power. The final score 6-0 in our favor. ● **La Jolla:** The Komets closed their 1947-1948 season on their own gridiron with a hard fought victory over a cocky Viking crew. H. B. Bud Benthall started the scoring with an off tackle plunge. Again Kearny played as a team in a game long to be remembered. Final result 12-7.

Left to right: Back row—Gordon Stifter, Hugo Wierich, Bob Wilkinson, Dale Baker, Nero Rodriguez, Frank Martinez, John Benner, Johnny Bower, James Crush, Terry Lindahl. Young

Kearny, through the addition of a C team, played the greatest number of games this season in San Diego, a grand total of 28 games. In the way of wins and losses the light weights stole the show over their Varsity "big brothers." There is no question that some of Kearny's best talent will evolve out of these two teams. Credit should be given not only to the teams proper, but to two fine coaches, Darrell Smith of the J.V.'s and Ed Hubbert of the C's.

The varsity squads put away their football suits on Friday, Dec. 5, and played their first basketball game at San Dieguito the following Tuesday. Material shortage was the big problem, there being no sharp-shooters, and defensively, there were no outstanding guards. • By the time the first league game with Grossmont arrived the squad had determined to atone for last year's close defeat. They thrilled a crowd of frenzied fans with the year's most exciting overtime game. This victory and four more constituted the total on the win side. However, the final game with La Jolla was another voice-hoarsening affair with the Komets playing stellar ball but losing a tough one in the last seconds, 47-49. This game gave them a Metropolitan League tie for eighth place.

Coach Paul Cheesman ushered in a fast working "B" team, this year, which chalked up eleven victories, three of which were in league games. These promising players showed fine sportsmanship and team work at all of the sixteen games played, both here on our own hardwood, and in out-of-town contests.

C Basketball The C squad was one of the better teams in the county this year. The boys showed to advantage during the season and went to the Coronado tournament looking like champions. Here they polished off La Jolla, but in the next game, after leading most of the way, fell victim to San Diego 14-12. San Diego went on to win the tournament.

D Basketball The D team ran up a string of victories this season, winning ten games and losing only four. High point men for the season were Bob Ellis (80) and Dick Warren (53). Honorary captain and most valuable player was Bob Ellis.

Left to right: Standing—Jimmy Sanders, Dick Warren, Dan Bain, Lynn Garten, Raymond Butcher, Bobby Ellis, Coach Hubbert. Sitting—Billy Peggler, Dave Triplett, Bobby Fonville, Ronny Smith, Clark Sandknop, Clifford Rice.

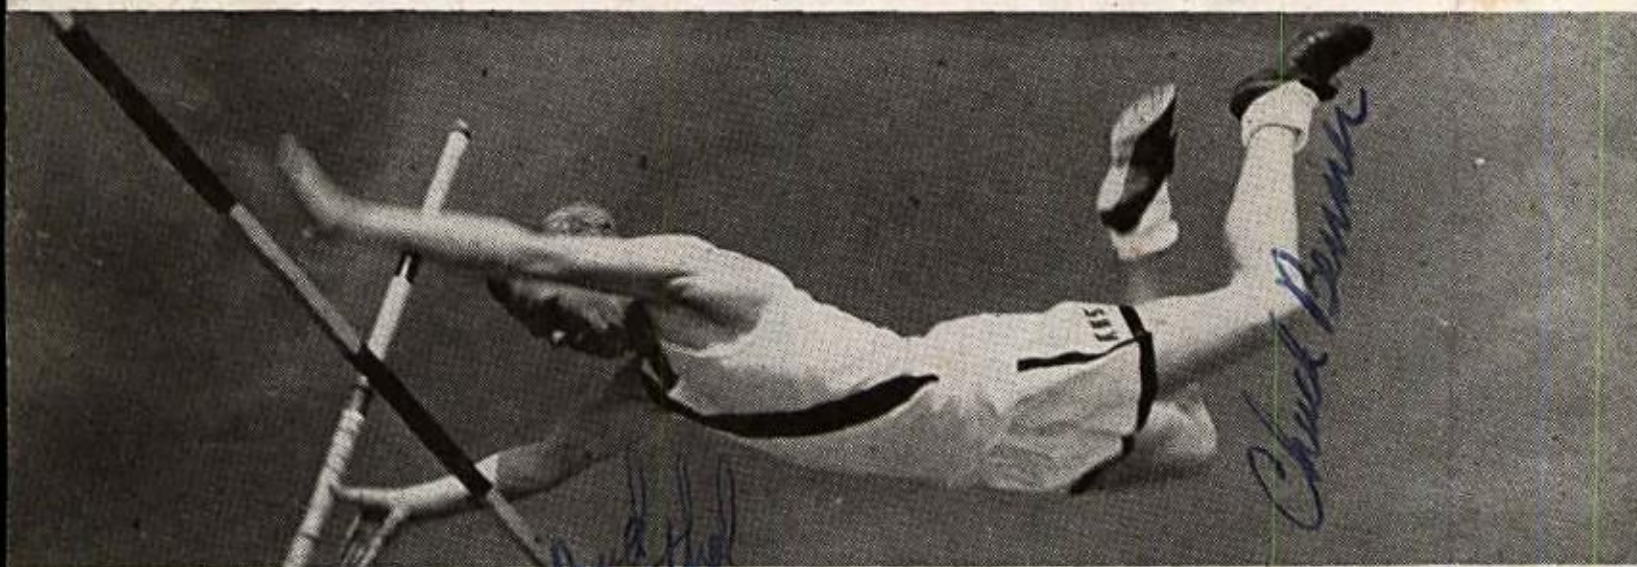

Left to right: Standing—Mr. McLaughlin, Jerry Herndon, Darwin Stokes, Harry Grow, Bob Walker, Johnny Cheatom, Bill Burris. Kneeling—Carl Hanson, Robert Jones, Julian Trujillo, Charles Smith, Burl Cooper, Doyle Smith.

The 1948 cross country team showed promise for the future, although it captured only one meet. Captain Bob Walker was the only returning letterman, but he received good support from James Smith (12), Bill Burris (11), and Julian Trujillo (10). Other letter winners were Burl Cooper and Harry Grow. • Competition was unusually strong this year with San Diego teams sweeping the S. C. I. F. Kearny's 1949 team should be much stronger and built around Julian Trujillo who was one of the best in the league this year and should do much better next year.

Although Kearny's track record is not very encouraging there has been much improvement over the past, not only in times, distances, and heights, but also in attitudes toward the sport. The members of the team have assaulted our records right and left this year. • As we go to press, the A team has split even, three wins and three losses. The B team has won three and lost two; the C team has won two and lost three. We still have two dual meets left, one with La Jolla and the other with Point Loma. Following these our team will be competing in the Metro League Championships. • For the A's Ken Farnsworth has accumulated the most points, while Fernando Quinones has gathered the most for the B's, and Ed Edmonson for the C's.

The Komet wrestlers had a very successful season, placing 8 men in S. C. I. F. Divisionals and 3 in the finals. Dual meets were held with such strong teams as S. D. High and El Centro. Competition was very keen this year because of the Olympic tryouts which all boys worked for.

to acknowledge the inestimable assistance in the prepara-
tion and publication of this book which was rendered by
the following:

Mr. Robert Bailey, of the Linda Vista Studio, for as
beautiful a bunch of senior pictures as we have ever seen.

Mr. Fred Smith, of the Los Angeles Engraving Co.,
for his many helpful suggestions and technical advice.

Mr. Bill Retchin, of the S. K. Smith Co., for helping us
to solve our cover dilemma.

Mr. Jim Neyenesch for deciphering our dummy.

Pat Acuzar and Jean Von Trutzchler for designing and
making the clothes for the division page figures.

Jerry Milhollan for a clever and original prophecy.

The coaches for their prompt and helpful information
on sports.

Stray students here and there, who supplied missing
bits of copy, helped identify pictures, arranged Komet
display cases, checked names for spelling, ran errands, etc.

And last, but far from least, all of the teachers and
administrators who suffered the inconveniences, in-
dignities, and exasperations which seem to follow in the
wake of all major all-school activities—particularly the
year-long ones, like the annual. We truly appreciate
their silence, sympathy, and sacrifice.
